SKI MAP

Ski-Out

Walk to the East end of the Echo Landing Complex (opposite direction of the village). At the end of the complex you will connect to a groomed trail. Cross the road, and follow the groomed trail that takes you along P5 westward towards the Morrissey and Orient Lifts.

Ski-In

Take the run called 'East Village Ski Way' (from the Orient or Sundance Chairlifts). Do not turn right when you see the turn for 'Orient Return, keep following straight, remaining on 'East Village Ski Way'. You will head over the skiers overpass and you will reach your complex on your right.
