

SETTLERS CROSSING

SKI MAP

Ski-Out

Walk to the West end of the Settlers Crossing Complex (towards village). At the edge of the complex you will find a gap in the trees that leads to a groomed trail. Follow the groomed trail across the golf course and under the Orient Chair. Continue skiing under the lift line and you will reach Orient and Morrissey Chairlifts

Ski-In

Take the 'East Village Ski Way' (from the Orient or Sundance Chairlifts), until you see a sharp right turn for 'Orient Return'. Take the right turn onto the run 'Orient Return' and keep following until you reach the Orient Chair Lift line. At the lift line turn left and you will ski down across the golf course until you reach your complex on your left.

Please note: The above ski in instructions are for a beginner ability, if confident on blue runs, you can take Fair Dinkum or Hasta La Vista (the run directly under the Orient Chairlift) from the Orient Chairlift, and your complex will be on your left side.
