## Ski-Out

Walk to the west end of the Woodhaven Complex (towards village). At the end of the complex you will connect to the 'East Village Ski Way'. Cross the road, and follow the trail that takes you along P5 to the west towards the Morrissey and Orient Lifts.

## Ski-In

Take the run called 'East Village Ski Way' (from the Orient or Sundance Chairlifts). Do not turn right when you see the turn for 'Orient Return', keep following straight, remaining on 'East Village Ski Way'. You will head over the skiers overpass and you will reach your complex on your left.
